Interfaith Spiritual Mediumship: Connect to Spirit Diploma Program

Welcome to the iNtuitive Times Institute (NTI), the seminary program for the Open International Interfaith Ministry (OIIM). NTI and OIIM celebrate the many faces of the Divine as seen in the world's diverse spiritual traditions. NTI provides a vehicle for training professional, skilled Interfaith Ministers and Spiritual Arts Practitioners.

We are pleased to be able to offer to qualified students the RSPm Diploma Program. The RSPm Program offers professional skills that are simply not part of most spiritual mediumship /connect to Spirit training programs. We seek students who have a calling to be of service sharing their spiritual psychic or soul gifts and who have a passion for elevating the credibility and trustworthiness of the healing/spiritual arts professions.

The RSPm diploma program is offered through:

- 380 training hours of distance education training
- 6-10 day residency in Prince Edward Island, Canada and elsewhere when requested by eight or more students – 100 training hours
- 1500 training hours of apprenticeship
- Weekly hour long tele-learnings – 10 training hours each.

The benefits of attending NTI:

- Being part of a professional Interfaith/Interspiritual community with ongoing support.
- Professional status as Registered Spiritual Apprentices, Practitioners and/or Ministers.
- Eligibility for membership in professional associations whose members provide naturotherapist (n.d.)/naturopathic treatments. This allows most clients to benefit from their extended health care plans when receiving your services.
- As NTI is a registered Canadian Federal HRSDC Certified Training Institute, you are allowed an educational exemption on your personal taxes (tax credit based on tuition fees plus monthly allowance for part-time study and texts - for 2012 this was 15% tax credit of tuition fees paid plus \$140 a month for studying part time and texts).
- Extensive mentoring from experienced Practitioners/Ministers.
- The opportunity to contribute articles to OIIM's E-zine – published three times per year.
- A free AD in OIIM's E-zine.

- Graduates are invited to contribute as Associate Professors in their area of specialization.
